

Community Circle of Healing Gathering

**FOR THE TOHONO O'ODHAM
NATION**

**LOCATION: San Xavier Community Building
2018 W San Xavier Rd. Tucson, AZ 85746**

The community healing gathering is centered on activities that encourage the community to work through trauma, grief, and loss due to violence and COVID. Activities include discussion on violence and provide survivors the tools to work through their trauma, and by extension help the community on a path towards healing. We recommend that those attending be at least age 18+.
